March Guidelines

- The only rifles that are permitted as part of your performance are the standard white, spinning, prop rifles. Rifles that are more realistic in their look, and may be perceived as an authentic firearm, will not be permitted. All props and equipment are subject to inspection by the Disney Performing Arts team and Walt Disney World Security to approve their use at a performance.
- Plan to step-off playing. Your audience will be able to hear and see the band as soon as they make their entrance. The band should play the entire route, but brief cadences are OK.
- Instrumentalists are to march no more than 6 across in ranks.
- Flags, batons, poms and rifles must adhere to our *Performance Safety Regulations*.
