## Amherst Steele High School "Marching Comets"

**Sunday, March 26, 2017**

**TBD Walt Disney World March at a time to be scheduled.**

*A marching performance along a to-be-determined Walt Disney World march route.*

(93) Instrumentalists, (12) Flag Unit, (5) Auxiliary Unit.

### How We Will Meet

- Meeting times and locations will be established once your group's performance venue has been booked.
- Event participants must arrive together.
- Friends and family of event performers, leaders or chaperones are not permitted in Walt Disney World "backstage" service areas or Disney Performing Arts facilities.

### Dress Code

- Contact us if you want to make changes to the uniforms or costumes we've approved for this performance.
- Due to copyright restrictions, we don't allow mascots, portrayals of movie, television, and animated characters, or of people whose images have been copyrighted.

### March Guidelines

- Walt Disney World Company has changed its policy regarding toy/prop weapons in our parks. The only rifles that are permitted as part of your performance are the standard white, spinning, prop rifles. Rifles that are more realistic in their look and may be perceived as an authentic firearm will not be permitted. All props and equipment are subject to inspection by the Disney Performing Arts team and Walt Disney World Security to approve their use at a performance. This includes any honor guard who may a part of your Disney Performing Arts performances.
- Plan to step-off playing. Your audience will be able to hear and see the band as soon as they make their entrance. The band should play the entire route, but brief cadences are OK.
- Instrumentalists are to march no more than 6 across in ranks.
- If you have an auxiliary, they must adhere to our *Auxiliary Performance and Safety Regulations*.

#### [Auxiliary Performance and Safety Regulations](#)

- The band must maintain a continuous "forward march" on the route with no half-time marching, side stepping or pauses.
